ABOUT US

At Camp Agape Hawaii, our mission is to bring hope, love, and mentorship to children whose parents are incarcerated. We recognize the unique challenges these young hearts face, and we are dedicated to walking alongside them, offering guidance, encouragement, and unwavering support.

Our cornerstone program, Camp Agape Hawaii, is more than just an annual four-day retreat—it is a sanctuary where children ages 7-17 can experience acceptance, healing, and the transformative power of faith and mentorship. But our commitment extends far beyond those four days. Through our year-round mentorship program and monthly events, we continue to nurture, uplift, and empower these children and their families, reinforcing that they are not alone in their journey.

This year, 2025, marks 17 years of Camp Agape Hawaii and 18 years of impact, touching the lives of thousands of children and families. Every milestone we reach is a testament to the resilience of these incredible children, the dedication of our volunteers, and the power of a community that believes in second chances and brighter futures.

Together, we are breaking cycles, restoring hope, and building a legacy of love that will last for generations.

WHY CHOOSE US?

COMMUNITY

We serve our state communities in the highest at-risk locations around our island.

CHANGE

Since 2005, national statistics show that 80% of children who have a parent in prison will follow in their footsteps. In our 15 years of service, less than 10% of our 2000 children have gone to juvenile or prison. Our mission is to serve as many children as possible.

COMMITMENT

Our commitment is to make sure that we change the statistics for these children taking them off the path of destruction and onto a path with positive role models and giving them the encouragement to succeed in life.
